Dear friends:

In this difficult time of one of the worst disaster of modern age, everyone is coming together and joining hands to help people in Haiti. Nepalis in USA are also equally concerned and trying hard to join hands and do their best.

Many of us donated the quickest way we could and few of your organizations are raising funds Today President George Bush, in Rose garden, stated "The most effective way for Americans to help the people of Haiti is to contribute money". Therefore, we as NRN National Coordination Council of USA reached out to many organizations and few of you generously offered to contribute to a fund to NRN to donate on behalf of Nepali community. Few of you decided to do a fund raising in your local community and send money to NRN and join hands with other organizations and individuals. All of you nice gesture are welcomed.

We will also accept donations till 1/31/2010 in our website <http://nepalcouncil.org> by clicking donate and paying by paypal. Please mention "Haiti Relief" in the purpose of donation (you can also add the name of your organization or the name of your region/state as well). We will provide updates twice a week on amount raised and **will sent to the fund established by President Obama by Feb 10, 2010**. Any donations received after January 31, 2010 will be sent after Feb 10, 2010.
