Message form Treasurer

First, I would like to extend my sincere gratitude and thanks to all NRNA USA members trusting in me with the finances of this big organization of over 21,000 paid members.

Non-resident Nepali National Coordination Council of USA is a recognized as tax exempt under section 501C (3) internal revenue code since 2001 nonprofit organization. As we are a tax-exempt non-profit organization all our income from donations and membership fees, grants are tax free. With such benefits comes awesome responsibilities. Therefore, from day one, my guiding principle is how to bring financial discipline, transparency in our organization and be compliant with the laws and regulations of the USA and its own bylaws which govern our organization.

As my first act, registering all the chapters in accordance with the respective laws and regulation of the

States to conduct a business legally. As a result, 27 out of 29 State chapters are now registered as an integral part of NRNA NCC of the USA. I strongly believe changes start from within the organization, therefore I believe that we brought internal transparency, so our board should have rights to know where organization is going and for what purpose? I realized that it's not an easy job but with strong support and cooperation of the board and chapter leadership, it was made possible. For the first time in its history, our organization started to collect W9 and for the first time issued and reported 1099-MISC/INT. Also, we have successfully conducted training of the chapter treasurers, created guidelines. After many years, finally we were able to send ICC membership fees in accordance with the bylaws and laws of the land. I believe we all need to do our best, with honesty and dignity and take our roles seriously to serve our members.

Treasurer Team & Finance Committee

Treasurer: Rajeev Shrestha

Joint Treasurer: Agni Dhakal

Sundari Gurung – Member Women’s Coordinator
Ramhari Khadka – Member, Entrepreneur

Our Commitment

Honesty, Respect, Integrity, and trust. These virtues I adhere in my daily life but as a treasurer I feel my responsibility is not just financial management but also institutional reform, establishing fiscal discipline and transparency. We have made a incremental improvement but still long there is lots of rooms for improvement. We continue to strive towards our strategy of building better and sustainable NRNA USA. There are lots of opportunities to bring substantial funds, so my focus going to be looking for funding sources from governmental and non-government organization. Hence, we have to show in complaint with rules and regulation of the USA. We will need to come up of polices to allocate and dispense funds. We will be collaborating with chapters to raise funds as well as engage with social organization. We have to use communication medium with our members leveraging technology to raise awareness and funds for humanitarian and social works, empowerment of women, youth and children, crucial work in preserving our languages and culture and we need to show our presence in the life of people who need us.

Although, I have been updating executives on every dollar we spend and even to the point collected their approvals but we lacked regular updates to the public. We will be updating on regular basis financial health of organization on quarterly basis. We are working to integrate bank accounts in one system to bring efficiency.

Please be advised the that presented report is not an audited financial statement. It was prepared for 11the Annual general meeting. A quarterly Financial Report is prepared to address the NRNA NCC USA NRNA members.

Rajeev Shrestha
